BE SOUND

RA

"The Trenner & Friedl RA loudspeakers.

All we can say is wow." – Dave Clark, Positive Feedback, Issue 47

RA's stoic exterior unleashes a musicality that simply doesn't let go – the eye calms, the ear rejoices. RA plays with power and dynamics – if desired, even at original volume levels.

At the same time, RA maintains its delicate spirit, with a sensitivity for the finest nuance.

RA IS THE ORIGINAL STANDARD-SETTER OF OUR NEW LINE OF NATURALLY-BASED HIGH-END LOUDSPEAKERS: DESIGN DISTILLED TO THE ESSENTIALS, TECHNOLOGY AND HAND-CRAFTSMANSHIP IN PERFECT HARMONY.
